MEMORANDUM FOR: Colonel White

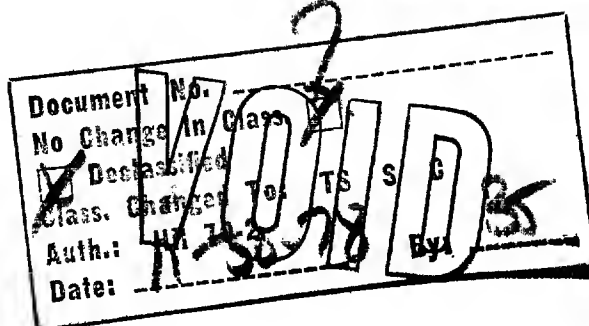

SUBJECT : The JCD Program in the Security Office

1. Following your suggestion that I check through on developments in the Security Office relative to the wider dissemination of the basic information on the Program, 25X1A9a have heard from [REDACTED] that a notice (see copy attached) outlining the Program has been prepared and sent to each departmental Security employee.

2. In addition, steps are being taken to sterilize the content of this same notice for transmission to the SO field installations. However, [REDACTED] does not expect that the results will be felt in sufficient time to produce any cases for consideration by your Career Service Board this Friday. I will stay with this matter for a periodic check of progress.
